

Booklist for 2022

Dear Parents

Please find attached your booklist for 2022.

Each year the Kalamunda Christian School booklist gives parents an easy and efficient way to obtain the correct items of school stationery at competitive prices.

This is also a school fundraising activity as the stationer returns a commission to school fundraising for every order placed.

This year Campion Education bought out the stationery provider we have previously used (Ziggies). Campion is a trusted booklist supplier used by a large number of schools across Australia.

Details about the various requirements are listed in your booklist. Please also note the following information:

All Year Groups:

- Compulsory items are ordered by the school and supplied directly to the classroom.
- The list of compulsory items is for your record only and will be debited to your family account in the New Year (please do not purchase these items).

Years 1 – 6 Only:

- Online ordering is the preferred method of obtaining your personal use items. Alternatively, a “while you wait” collection service is offered in Willetton or Malaga.
- If your child already has personal use items left over from the previous year, you may select required items only.
- To ensure your delivery arrives before the commencement of Term 1, you will need to order prior to 31 December 2021.
- Please ensure all personal use items are labelled with your child’s name.

Note For Years 3 – 6:

- Please note that items to be supplied by parents includes a wireless mouse and headphones (specifications are listed on the booklist).

Thank you for supporting school fundraising. If you have any queries please feel free to contact the school office.

Booklist Stationery for 2022 for Kick Start

We look forward to welcoming your child into Kick Start for 2022.

Listed below are the various requirements for Kick Start for the year. Please note that all compulsory items are ordered by the school and supplied directly to the classroom.

At Kalamunda Christian School our students commence using their own personal use stationery from Year 1.

The Kick Start, Kindergarten and Pre-Primary classrooms have shared stationery for everyone in the class to use, so labelling is not required for these year groups.
